

CLLIPLIGHT PATRIOT LIGHT

RECHARGEABLE UV-LED POCKET WORK LIGHT

Part# 111110

The Patriot Multipurpose UV-LED Work light provides 30 lumens from the top, 250 lumens from the middle and a 390 - 400nm UV light below the LED. Conveniently designed as a versatile pocket light, it includes a USB cord for charging with an Apple style charging port. This aluminum design is rugged and draped in the US flag. It can provide up to ten hours of continuous use, and is designed with a 3.6 volt rechargeable 2200 mAh lithium-ion battery. Magnetic base and clip also included. The Patriot charger (111110A) colored in red is the perfect optional product to pair with the Patriot light.
